

Tech Craze'16

CAD DESIGN

- If we have 20 plus candidates then we will arrange 3 rounds:
 - **Round 1:** there will be 30 mins given time within which you have to solve 40 MCQs regarding to CAD designing.
 - **Round 2:** In this round there will be 20 MCQs to solve within 15 mins,
 - **Round 3:** In this final round you have to design **AUTOCAD-2016**.

DURATION: 1 hr

Winners will be selected by the minimal time consuming and complete designing.

- If we have less than or equal to 20 candidates then round 2 will be cancelled.
- Problem statements will be chosen accordingly so that participants from different streams can get equal preferences.
