## **INNOV GALLERY**

*Innovate to exhibit.*

Ever thought of building something which might revolutionize the society!!! Let's look around for a place to showcase your innovative ideas. Then this is the platform where you can build live models and pride yourself before a large mass through your demonstrations. The models have to be completely unique, innovative and technical. All models must accompany with live demonstration. Brief details of the live models must be provided within 18<sup>th</sup> March, 2016. Fifteen best models would be selected for final exhibition, depending on the number of participants. You can send your brief details of the live models on the
