

TechCraze 2K16

MAKE BEST OUT OF WASTE

Innovate with no limits.

Come up with some innovative and creative ideas to bring out the best from waste.

Test
your

creativity.

Participants will be given some waste materials. They need to combine and assemble them to make something innovative.

- The best two will be awarded. An example is shown above.
- Group of 1 to 3 participants are allowed.
- Registration fee: Rs 50/ participant.
