

# TechCraze 2K16

## Reel Realm

### “Capture Your Vision”

**Documentary Films** are non-fictional, "slice of life" factual works of art. This Cinémavérité is not just about recording what is there but also presenting and editing to showcase a particular theme. Bring new ways to convey your ideas that you think would bring a change. Make your own documentary and convey your views.

#### **RULES & REGULATIONS:**

- The presenting team should consist of minimum 3 members.
- The submitted documentaries should be in an expected 16:9 ratio (for better resolution). The documentary has to be within 15 minutes.
- The documentaries can be on any topic as per the selection by the candidates (no contents whatsoever should be vulgar).
- Prelims will go by a screening, out of which the top documentaries will be selected to undergo registration and thereby enter the finals.
- The documentaries should all be in English, if a vernacular then it should have English subtitles.
- Submission of all the documentaries is to be done within the 18<sup>th</sup> of March, 2016.
- The documentaries submitted should be through CDs, DVDs with names of the group members, their college, and their contact details. Submission will be accepted through Google drive also along with the details as mentioned above to which we will send an acknowledgement. Submissions will also be accepted physically.
- Submit to [techcraze2016@skf.edu.in](mailto:techcraze2016@skf.edu.in) with the subject as DTC.
